## B. BUSINESS FINANCIAL INTERESTS

This section requires disclosure of any financial interests of a business owned by you or a member of your household.

### 12. Business Names

**What to disclose:** The name of any business under which you or any member of your household owns or did business under (in other words, if you or your household member were self-employed) during the period covered by this Financial Disclosure Statement, which include any corporations, limited liability companies, partnerships, sole proprietorships or any other type of business conducted under a trade name.

Also disclose if the named business is controlled or dependent. A business is "controlled" if you or any member of your household (individually or combined) had an ownership interest that amounts to more than 50%. A business is classified as "dependent," on the other hand, if: (1) you or any household member (individually or combined) had an ownership interest that amounts more than 10%; *and* (2) the business received more than \$10,000 from a single source during the period covered by this Financial Disclosure Statement, which amounted to more than 50% of the business' gross income for the period.

**Please note:** If the business was either controlled or dependent, check the box to indicate whether it was controlled or dependent. If the business was both controlled *and* dependent during the period covered by this Financial Disclosure Statement, check *both* boxes. Otherwise, leave the boxes blank.

**Please note:** If a business listed in the foregoing Question 12 was neither "controlled" nor "dependent" during the period covered by this Financial Disclosure Statement, you need not complete the remainder of this Financial Disclosure Statement with respect to that business. If none of the businesses listed in Question 12 were "controlled" or "dependent," you need not complete the remainder of this Financial Disclosure Statement.
