SENATE CONCURRENT RESOLUTION 1012

A CONCURRENT RESOLUTION

ENACTING AND ORDERING THE SUBMISSION TO THE PEOPLE OF A MEASURE RELATING TO VOTER IDENTIFICATION.

(TEXT OF BILL BEGINS ON NEXT PAGE)
Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. Under the power of the referendum, as vested in the Legislature, the following measure, relating to voter identification, is enacted to become valid as a law if approved by the voters and on proclamation of the Governor:

AN ACT

AMENDING TITLE 16, CHAPTER 4, ARTICLE 8, ARIZONA REVISED STATUTES, BY ADDING SECTIONS 16-541.01 AND 16-541.02; AMENDING SECTIONS 16-547, 16-548, 16-550 AND 16-579, ARIZONA REVISED STATUTES; AMENDING TITLE 28, CHAPTER 8, ARTICLE 4, ARIZONA REVISED STATUTES, BY ADDING SECTION 28-3165.01; RELATING TO VOTER IDENTIFICATION.

Be it enacted by the Legislature of the State of Arizona:

Section 1. Short title

This act may be cited as the "Arizona’s for Voter ID Act".

Sec. 2. Findings and declaration of purpose

The people of this state find and declare as follows:

1. Since 1991, Arizona has offered the convenience of early voting by mail, which is now enjoyed by more than seventy-five percent of Arizona voters who exercise their right to vote.

2. Though voting by mail is convenient for many voters, the process must be properly administered and safeguarded to reduce the opportunity for illegal votes, illegitimate votes or fraudulent votes to occur.

3. Every illegal vote negates a lawful vote, deprives legal voters of their full voting rights and undermines public confidence in our elections.

4. Arizona should strive to make it easy to vote and hard to cheat.

5. Arizona law currently requires proof of identification to register to vote.

6. Arizona law currently requires proof of identification for voting in person at the polls, in person at an early voting center and in person at an emergency voting center before casting a ballot.

7. Basic identification requirements are a commonsense practice to provide security and prevent fraud and are commonly required in everyday life, including to purchase alcohol or cigarettes, obtain a driver license, board a commercial flight, donate blood, open a bank account, purchase a firearm, receive unemployment benefits, obtain auto...
insurance, purchase or rent a home, confirm identity over the 
telephone and conduct many other basic transactions.

8. Arizona law currently treats in-person and 
early-by-mail voters disparately, requiring identification 
from all in-person voters before casting a ballot in every 
election with no such requirement for early-by-mail voters.

9. Signatures are not a form of identification and are 
a subjective measure that can lead to some legal votes being 
rejected and illegal votes being accepted.

10. The type of voter identification required by this 
measure for mail-in voting, including the voter’s date of 
birth and either the last four digits of the voter’s social 
security number or the voter’s driver license or nonoperating 
identification license number, is information that most voters 
know by memory or may easily access.

11. It is appropriate to continue to provide a period 
during which a voter who has inadvertently failed to provide 
the proper voter identification information can easily provide 
this information and have the voter’s ballot counted.

12. Section 3 of this measure is intended to bring 
current statutes that require identification at on-site early 
voting locations and other early voting locations the 
protections of the voter protection act.

13. Section 7 of this measure is intended to improve 
voter identification requirements for in-person voting.

14. Section 8 of this measure is intended to ensure 
that any qualified elector in Arizona has access to free voter 
identification for the purpose of voting.

15. In interpreting the provisions of this act, a court 
of law shall consider the goals of the people of Arizona to 
ensure election security and integrity.

Sec. 3. Title 16, chapter 4, article 8, Arizona Revised 
Statutes, is amended by adding sections 16-541.01 and
