Wesson Gun Equality Act

Medical Marijuana Card holders can legally obtain and own Firearms as long as they don't have any Felonies or Major Mental Health issues, because now that Marijuana is recreationally legal, it is a violation of not just the second amendment of the United States Constitution, but the Fourteenth Amendment as well. Because, allowing recreational Weed Customers to both purchase Marijuana and Firearms, but tell Medical Marijuana patients that they cannot own a gun, is discriminating against someone's medical status, which is against the 14th Amendment.
